<p>The Rehabilitation Therapy Technician (RTT) works directly with individuals with intellectual and developmental disabilities in a team environment where staff clinicians collaborate to provide comprehensive care and services. RTT's work in a variety of setting including activity centers, recreation programs, and vocational/day programming centers, based on the needs of the State Supported Living Center (SSLC). To learn more about the SSLCs, see https://hhs.texas.gov/services/disability/intellectual-or-developmental-disabilities-idd-long-term-care. The most important characteristic about SSLC employees is that we truly value and respect those we serve and believe in the mission that all people can achieve a higher level of wellness and independence. The state of Texas offers many benefits to employees, including competitive salaries, career advancement, health and dental insurance, and paid vacation and sick leave. The Rehabilitation Therapy Technician (RTT) performs routine habilitative and rehabilitative therapy work. Primary responsibilities include helping the habilitation/rehabilitation supervisor provide assistance to individuals for an assigned therapeutic specialty (e.g., supported employment job coaching and/or vocational rehabilitation and vocational/day program). Work involves assisting with services as directed by implementing treatment plans for assigned therapeutic specialty. A May accompany individuals to and from activities and appointment. Performs housekeeping duties in therapeutic activity areas. Valid driver's license and ability to drive a state vehicle may be required, depending on the needs of the facility. Works under moderate supervision of the designated supervisor with limited latitude for the use of initiative and independent judgment.</p>

Position	Vehicle Driver I			Salary	\$1,806.75
<p>Performs routine (journey-level) motor vehicle operations. Work involves operating motor vehicles to transport passengers and/or cargo. Works under moderate supervision with limited latitude for the use of initiative and independent judgment. The Vehicle Driver 1 routinely works an eight hour shift as directed by the supervisor. Occasional special events and/or overnight trips require drivers to work extra hours as needed. Vehicle Drivers are supervised by a Recreation/Transportation Supervisor. The Vehicle Driver 1 drives state vehicles in order to provide transportation services to and from various on-campus and in-town locations, e.g. physician's and other medical appointments, workshops, OT/PT, activity centers, hospitals, and other facilities as needed. Drivers are also responsible for safely transporting residents and cargo to out of town facilities/activities as needed.</p>

Position	Warehouse Supervisor III			Salary	\$2,595.33
<p>The Health and Specialty Care System Inventory and Store Specialist III (Warehouse Supervisor) is a key position for Supply Services with essential functions offering opportunities to gain experience related to using modern receiving software systems, warehouse equipment and the logistics to assure the patients/residents we serve are supplied their needed supplies for daily living. This supervisor level position is located at the Abilene State Supported Living Center warehouse but Supply Services also serves patients/residents at 22 other facilities around the State, so there are opportunities for growth and movement to other parts of Texas if desired. The Warehouse Supervisor performs advanced logistical inventory and warehouse work. Work involves coordinating warehouse operations and supplies, maintaining security of state property and warehouse stock inventory. Duties include monitoring stock levels for loss prevention and adequate supply to facilities, and ensure warehouse operations are in compliance with established procedures. Supervises and trains staff. Works under minimal supervision with considerable latitude for the use of initiative and independent judgment. Additional tasks include processing replenishments of stock, putting away goods, rotating stock, pulling orders from inventory stock bins and delivering goods to state facilities. Supply Services warehouses operate in a safe yet quick moving, effective and efficient environment! This is a physically active position where creativity, strength and discipline are important factors to assist with the heavy physical work involved. While the main focus of this position is leading staff and movement of supplies, this position will also be cross trained to learn new and exciting skills including using the newest up-to-date receiving software systems, handheld devices for inventory control and warehouse equipment. Working for Health and Human Services provides excitement and contentment knowing you are helping others in need and working in a very stable long term employment with great benefits! Whether in a direct-care or supportive roll, your contribution will make a difference in the life of a Texan.</p>
