| Position | Behavior Analyst I | | | Salary | |
| Posting # | 386530 | | | | |
| <p>Board Certified Behavior Analyst The Abilene State Supported Living Center (SSLC) is seeking a Board Certified Behavior Analyst I to join an interdisciplinary team of professionals to provide clinical care to residents of the SSLC. As a State Supported Living Center Behavior Analyst I, you will work at the SSLC campus with a dynamic group of staff and professionals who are dedicated to providing supports and services for individuals with intellectual and developmental disabilities. This is a team environment where staff clinicians collaborate to provide comprehensive care and services. To learn more about the SSLCs, see https://hhs.texas.gov/about-hhs/jobs-hhs/state-supported-living-center-opportunities. The most important characteristic about State Supported Living Center employees is that we truly value and respect those we serve and believe in the mission that all people can achieve a higher level of wellness and independence. Our vision statement is “Individuals served at State Supported Living Centers will experience the highest quality of life, supported through a comprehensive array of services designed to maximize well-being, dignity, and respect.” The state of Texas offers many benefits to employees, including competitive salaries, career advancement, health and dental insurance, and paid vacation and sick leave. The Behavior Analyst provides highly advanced behavior analysis services in the form of consultation and technical assistance to individuals with cognitive, developmental, physical and health related needs, working under minimal supervision, with considerable latitude for the use of initiative and independent judgment. The Behavior Analyst provides clinical supervision and consultation for all staff psychologists in the area of applied behavior analysis. Performs observations and assessments relevant to the design of positive interventions and supports for individuals and provides training to staff concerning positive and effective approaches to preventing/addressing challenging behaviors. The work involves consultation, review, and approval of functional behavioral assessments and behavior support plans. The Behavior Analyst assists in systematically evaluating the consistent implementation of behavior support plans through personal observation, staff interviews, and review of documentation. He/she works with Associate Psychologists and Unit Directors to facilitate effective staff management and program implementation. The Behavior Analyst assists in providing professional development of Associate Psychologists including applied behavior analysis, positive behavior support, clinical behavior management, and contemporary behavioral issues to positively impact service delivery. The Behavior Analyst is responsible for maintaining knowledge of applicable laws, regulations, and departmental and agency policy and for developing systems and procedures to meet the standards and requirements therein. The Behavior Analyst serves on and chairs the Behavior Support Plan Peer Review Committee. The work schedule varies upon request or as needed.</p> | | | | | |

|---|-----------------------------|-------|--------|---------|------------|
| Position | Security Officer III | | | Salary | \$2,194.33 |
| Posting # | 379141 | | | | |
| <p>The Security Officer is responsible for maintaining a secure and protective environment at the state supported living center by observing and taking action and reporting incidents or security violations involving the residents and initiating emergency response as appropriate. Primary work involves monitoring alarms and surveillance cameras, patrolling the buildings and grounds, checking badges or proper identification at campus gate, and handling after-hours emergency calls that would enhance the safety of state facility residents, employees and visitors. The Security Officer is responsible for the dissemination and coordination of emergency responses and information, and notification to facility management and law enforcement if appropriate, in the event of emergency and/or security violation situations. The Security Officer has responsibility for identifying unfamiliar persons on campus and within the homes as captured on surveillance cameras and during routine patrols. Responsible for ensuring appropriate lighting for the safety of residents, staff and visitors. Works under limited supervision with considerable latitude for the use of initiative and independent judgment. Completion of work requires the use of established methods and/or techniques and decisions are varied but based on well-defined guidelines.</p> | | | | | |
