"Work where your Work Makes a Difference"

I started working at AbSSLC in January of 2014 in Direct Care. I had no idea what God was up to when I applied for this job. Honestly, I was thinking I was getting benefits for once and of course this job was giving me a better pay than any job I was doing before. Little did I know this job would become my career with far more benefits than I could have ever imagined. I work for 20 residents who have become my family. I'm there for holidays, birthdays, surgeries, in sickness and in health. I've learned that communication isn't always about using words - it's also actions with a whole lot of love.

I am now the DSP II Lead and training new staff to love from the inside out. I work beside so many good people, a great supervisor and I can't see myself being anywhere else. My purpose is to give love and laughter to the people we serve and take care of. I also know how important it is to have a great working atmosphere for all staff for this is the heart of 5971 Service Avenue, LOVE. The hugs, the kisses, holding hands and the tears - all of which I hold very dear to me. I've taught myself to learn everyone's name I come across on campus so that in turn they know they are so very special as a person to me. There really isn't very many staff or residents who don't know me because of this.

I love my job and my life at AbSSLC. I'm always eager to learn more and provide as much love as I can every day I come to the home. I can't wait to see myself in 5 more years here. What a transformation for me already.

I truly and deeply love what God has planned to do for me while I work here. Our resident's lives matter.

Tangalee Webb
