Thank you for your interest in jobs at the Abilene State Supported Living Center!

We are a 24/7 facility providing care for over 350 developmentally challenged individuals ranging in age from 15 to over 85. Each person is unique in what they have to offer as well as the many challenges they face. The level of care needed varies greatly from person to person and is customized to offer them the maximum independence possible while providing for their safety and well-being. Most of our jobs are in direct care & nursing but we have other opportunities at times in the areas of Maintenance, Food Service, Housekeeping, etc.
