

2017 Flu and TB Clinics – October 17th-20th (Lone Star Conference Center)

★ The TB clinic is mandatory for all employees at AbSSLC ★

- The Flu shot and TB Clinics will be held together in the Lone Star Conference Center (open from 0800 hours until 1400 hours). **October 17th and 18th will be injection days for both the Flu shot and TB skin test, the 19th and 20th will be reading days only for TB.**
- Units I and II are scheduled for Tuesday, 10-17-17. The TB tests need to be read on 10-19-17.
- Units III and IV are scheduled for Wednesday, 10-18-17. The TB tests need to be read on 10-20-17.
- Infirmary, Administration, transportation, NEPT, Maintenance, Activity centers, Nursing, and all auxiliary departments may be completed either day.

Please complete your TB testing in the month of **October**. If you miss the clinics, please call (x3391) and schedule a time at the TR to get this completed in the month of **October**, this is your responsibility to get this accomplished.

Remember that your TB test needs to read 48-72 hrs. After it is administered. Any certified nurse can read your results, and sign the paper. If you are a new positive, when your test is read, please contact the IC Office immediately. (Ext: 3928).

Please remember to keep up with your paperwork. The TB skin test will need to be read approx. 48 hours after being administered. Please be sure the nurse signs your form once it is read. Please make sure your name is legible. Then you will turn in your completed form to your supervisor. Once the supervisor receives ALL of their employee's forms they will be turned into the Infection Control Department. If the list is NOT completed by November 1, 2017, the IC Dept. will produce a non-compliance list and pass that list onto administration for compliance.

If you know that you are a **positive responder**, and have an initial x-ray on file with AbSSLC, then **complete the Positive TB Skin Test Questioner, and attach it to your TB form with a line drawn through it and write "positive responder" at the top**. If you have a medical situation that excludes you from receiving the Tb skin test, a doctor's note MUST be obtained, and attached to your form.

Snack Packs!

Yes, again, if we get a minimum of 50 orders we will have snack packs (strawberries, grapes, cream cheese dip, crackers, cheese, dill pickle spear and cookie) for the bargain price of \$5.

Last date to order will be Tuesday, October 24.

Pick up date/time will be Tuesday, October 31 (Happy Halloween! and also the LAST day of the SECC) starting about 10:00 a.m.

Order via email to Phyllis Conn or call 795-3370.

Food Truck Wednesday!

The (very popular) **Texas Doughboys** will return Wednesday, October 18th from 6am-9am. Their last visit was very successful and they sold out – the best advice is to go early!

The **Lone Star Coffee & Tea House** will also open at 6am for this event! Get your food with the Food Truck and then your drink from **Lone Star!**

Have a big order of pastries? Stay tuned ...
