

Emergency Vehicles on Campus

Please remember that Emergency Vehicles must be given the right-of-way at all times. You should never attempt to go around them or otherwise be in a position that would place them (or you) in danger.

Is your credit safe?

After a recent hack, over 143 **million** credit accounts may have been compromised. Financial experts are recommending that you contact the four credit reporting agencies and place a freeze on your credit – this keeps someone from applying for loans, credit cards, etc. in your name.

You have to contact each agency separately and there may be a small charge (\$10-\$20) to place the freeze.

Food Truck Tuesday!

Tacolate Food Truck

11:00am-1:30pm
Shirley's Cinema Parking Lot

After visiting the Food Truck stop at the **Lone Star Coffee & Tea House** for your drink!

Personal Mail & Packages

Please do not have your personal mail & packages delivered to the campus. We receive these occasionally and, per policy, must open them – this in turn makes people mad. The only exception is the cookies you may receive when buying a new car. Those are ok for us to get and we greatly enjoy ~~eating~~ receiving them ...

Bell Peppers Handbell Choir

You don't want to miss the Bell Peppers handbell choir from Disability Resources Inc. on **Tuesday, September 26 at 2:30 pm at the Gym**. The Bell Peppers handbell choir is made up of 21 folks served by Disability Resources, Inc. (DRI) of Abilene. They have been ringing together since 2007 and enjoy giving performances in and around Abilene for many different groups. They also perform at some of the monthly worship services held at DRI.

The Bell Peppers have had some opportunities to travel, performing at fundraising dinners for DRI held in Plano and in San Antonio. A highlight of this year has been playing the national anthem at a women's basketball game at ACU.

Tooth Tips from the Dental Office

- Vacuum toothbrushes/caps are dated and labeled by Dental MONTHLY.

The date on the vacuum brush indicates WHEN IT EXPIRES!!!!!!

- Vacuum toothbrushes should have a labeled/dated cap on it whenever it is not in use. This may require more than one cap throughout the month. Some individuals will require more than one vacuum toothbrush a month. Vacuum tooth brushing is very important, if something isn't right, **GET IT FIXED!**

Scheduled Work

B&B Construction is scheduled to be here the week of 9/25 to do some underground boring behind the Admin Building. Please avoid this area if work begins as planned.
