### Keeping the Campus Safe

### Contacting the RCCs

**Reminder to all:** the RCC's have a cell phone # 325-721-6374. If there is no answer when you call the RCC Office please stay on the line and you will get this number to call for a RCC assistance. RCC's carry this cell phone when they are out on Campus and no one is in the office. You can also leave a voice mail on this phone for a RCC to call you back. If for some reason you don't hear from a RCC in 30 minutes, then please call again. We are having a large number of people saying they cannot get in touch with the RCC's but will not call this number. Please in-service your staff to call this number for assistance from the RCC's. Please call me with any questions you might have, thanks.
