## AbSSLC News

Abilene SSLC

Week of April 27<sup>th</sup>, 2020

### AbSSLC Nursing Hotline for COVID19 Issues

If **you**, or **anyone in your household**, is tested for COVID19, it is **critical** that you contact the AbSSLC Nursing Hotline. You can reach this line by dialing INFO (x4636) from any campus phone or by calling 692-4053 x4636 from off-campus. Please note you will be asked to leave your full name and phone number on the recording – Nursing checks this line multiple times a day and will return your call. Please be patient – they are receiving numerous calls each day and want to take the time to ensure all of your questions are answered fully.

### Have to Love the Mask ...

Masks are generally uncomfortable, hot and annoying. They also play a huge role in keeping everyone safe!

Please ensure you are wearing your mask properly and that it fully covers both your mouth and nose as shown. Remember that masks are required at all times!

### Got Magazines?

Do you get magazines at home and then don't know what to do when they are after you have read them? Don't throw them away – donate them!

We are looking for magazines in different areas (Cooking, Home Decorating, Cars, Fishing, Hunting, etc.) that can be used at the Activity Centers for the Individuals to enjoy. Contact Shae (x3547), Cindy (x3386) or Phyllis (x3370) and they will arrange to get them!
