Shout Outs!

Benny on the 6-2 shift at 6710 Circle Drive is the best! He helped with scheduling a very independent individual to come to Audiology; he called to let me know when the individual came home to see if he could come over, and he called to let me know when the individual didn't want to come as scheduled AND he called to let me know when the individual was finally on his way to Audiology. Thank you for such team work Benny!

Shout Out to **JT Gulick** for helping at the Diner.

Thank You to **Brenda Howell** in the Social Work department for keeping the Food Pantry stocked. It's a chore to keep up with what is needed from week to week and make sure it stays stocked. We appreciate you!
