Christmas Lane 2022

(December 2nd – December 26th)

It's back! AbSSLC will again play host to thousands of
visitors this year for Christmas Lane. This is a yearly
tradition enjoyed by many but we need your help and
understanding to make it work. This is our 33rd year!

From **5:30pm** to **10:00pm** each night, access to portions of
campus will be strictly limited as traffic is rerouted to
accommodate the 100+ displays and our visitors that will
be enjoying them.

Please plan your route(s) around campus
accordingly while Christmas Lane is open.

This can be a challenge at times!

Shout Outs!

Shout out to **Tara Beaver** and **Erricka Parker** for stepping in and handling the Administrative Assistant duties. It is always hard to step in and do a job that you are unfamiliar with, but these ladies did just that. A BIG Thank You to all who step in and do the work of others when someone is out sick or a spot is vacant.

ABILENE SSLC

Dental desensitization provider Pam Acevedo, left and Dina Warren, a former Occupational Therapist and current volunteer at Abilene, gave a joint lecture at the Texas Occupational Therapy Association State Meeting held recently in Denton. The speech was about how dental desensitization could be collaboratively done to help patients with special needs.
