## Calling in Sick

- If you are calling in for any kind of illness, you **MUST** call the Nursing Hotline **FIRST**. If you or anyone in your household is tested for COVID-19 you must call the Nursing Hotline immediately. You can reach this line by dialing **INFO (x4636)** from any campus phone or by calling **692-4053 x4636** from off-campus.
- **Please watch for calls from the Hotline after you leave a message! The call will come from a "795-3xxx" number or a Cell Phone number you likely don't know. Nursing will return your call but many times they do not get an answer and/or your voicemail is not setup.**
- **You must report being tested for COVID-19 (and then report your results if applicable) immediately to the Nursing hotline. Failure to do so will result in disciplinary action.**

Wear the  
Mask!

## In Recognition ...

### Clergy Week

Thank You **Chaplain Bill Spencer** for all you do for those we serve and their families. You are ALWAYS there to lend an ear, offer a word of encouragement, and offer a helping hand (even when it's to change a tire in your suit and tie)! WE appreciate YOU and ALL YOU do!

### Physician's Assistant Week

A special thank you to PA **Jenni Jamison**. Jenni worked on campus for many years before leaving to become a PA – the best thing after that is that she came back! Jenni provides medical care to those that call AbSSLC home and does so in a truly loving and caring way - she can always be counted on to do what is best for them!

Save our SSLCs is a group that advocates for State Living Centers. They reposted a Facebook post from Representative Stan Lambert in recognition of Jolene Willis.

### October 16<sup>th</sup> is National Boss's Day!

You can recognize your boss and help make holiday's brighter for others by donating to the **2020 Staff Christmas Fund**. Contact Shae Butts at x3547 to make your donation!
