National Pharmacy Week

October 18th – 24th, 2020

Thank you to our AbSSLC Pharmacy Staff!

Calling in Sick

- If you are calling in for any kind of illness, you **MUST** call the Nursing Hotline **FIRST**. If you or anyone in your household is tested for COVID-19 you must call the Nursing Hotline immediately. You can reach this line by dialing **INFO (x4636)** from any campus phone or by calling **692-4053 x4636** from off-campus.
- **Please watch for calls from the Hotline after you leave a message! The call will come from a “795-3xxx” number or a Cell Phone number you likely don’t know. Nursing will return your call but many times they do not get an answer and/or your voicemail is not setup.**
- **You must report being tested for COVID-19 (and then report your results if applicable) immediately to the Nursing hotline. Failure to do so will result in disciplinary action.**

There is Still Time!

There is still time to do your SECC 2020 paperwork and help others. SECC gives you the opportunity to donate to the charities of your choice – from a list of hundreds – through a one-time payment or payroll deduction. If you elect to do payroll deduction, this will be done on our first check in 2021.

HAB Services went Pink for Breast Cancer Awareness Month!

Did you know that there are Name & Department telephone directories? This can save making calls to the Switchboard for the needed number.

Shout Outs!

I would like to commend **Joe Guajardo** from Plant Maintenance for all the extremely hard work he did laying new carpet at the Audiology area and offices. He worked by himself to take out the old carpet, prepare the floors and cut and lay the new carpet. He was courteous and always mindful of what was needed to be done. Thank you, Joe!!!

Big thanks to **Jonathon Petrosky** and **Tammy Bayer** for their muscle work needed to move furniture and boxes out of the Audiology areas in preparation for new carpet.

Thanks to **Amy Gleaton** for checking in on the progress at Audiology and helping lift boxes and carry things as needed. Her caring attitude is a joy to behold!!

Thank you to the **Recreation Crew** for having a Bocce Tournament this week and the **Activity Center Crew** for partnering up with athletes to help make this a fun event for everyone involved! Way to go!!

Shout out to all the **Bosses** out there that help lead and guide us to serve better each and every day!

Shout Out!

Have you seen someone do the above & beyond or just want to recognize great work?
