The end of the Fiscal Year is August 31st, 2021. The last day to put any orders into MIMS for Warehouse Orders will be **August 12th**.

MIMS will be unavailable until **September 1st**. Week 1 for September begins on the 7th as the warehouse will be closed the 6th for Labor Day.

MIMS orders will be unavailable for nearly **3 weeks**. If you have not done so already, please start ordering more on your orders to help build a backup that will last until MIMS is available again. Please remember that we will still have the first 2 weeks of August to order so please do not go crazy as there is still time to build a backup.

Lakeside Entrance

Lakeside & 21st are 30mph!

We continue to have issues with staff speeding on Lakeside or 21st and then tailgating staff through the gate. Remember that if you rear end someone you will be considered at fault and receive the ticket!

Shout Outs!

Shout to **Vicky Ireland** (Housekeeping) – she is the best! She was the first to introduce herself to me, when I was finally able to office at that home. She’s busy at all times, always doing something and moving quickly. She knows everyone by name that lives there, what bedroom they are in and more than likely their bed number within the room. As she is changing bedding, gathering laundry, mopping, dusting or just moving to her next task she is always having some kind of interaction/conversation with the individuals she is near. During the move we just had around campus we were talking and I got to see just how close she was and how this is much more than just a job to her as she teared up talking about the people moving. Vicky is an asset to AbSSLC and especially the individuals. She is a hard worker with a big heart and definitely deserves a HUGE SHOUT OUT for all she does.

The PNMP Coordinators would like to give a shout out to our Supervisor **Suzanne Sargent!** She does a great job in keeping us focused on what needs to be completed and when it needs to be completed. We also appreciate her for having an open-door policy. She is always there to listen, whether it is good news or venting about work or our home life. We just want her to know we are blessed to have her as our Supervisor!

I would like to shout from the tops of the roofs and give a big, humungous, GIGANTIC shout out to the **RECREATION** and **TRANSPORTATION** departments. First, Transportation has been working so so hard with providing rides to anyone and everyone all over campus. Being in and out of this heat. Thank you guys and lady! Second, the Recreation department for providing amazing active treatment to the campus, not only at the program areas but on the homes as well. Thank you! You all are amazing people.

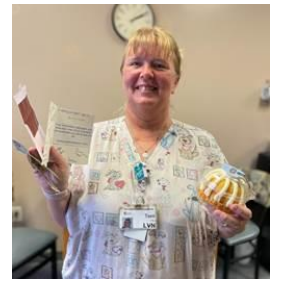

Yvonia and her **Infirmery 6-2 and 2-10 crews** battled it out with a pallet project contest. This is such a GREAT idea and y’all did an amazing job on your projects. You’re ALL winners in my eyes! Thank you so much for sharing your creativity, talent, and ideas with us. Way to go and keep up the great work!
