Campus Road Construction

Beginning July 6th, a TxDOT contractor will be doing work on Smokestack Drive, located between Food Service & Laundry. This area stretches east/west between Service Avenue & Plum. The contract is for 30 days in length but they are hoping to be done no later than July 22nd.

This will mainly affect parking for Food Service, Laundry & Infirmary staff but there will also be occasional road closures on both Service Avenue & Plum. Please be watching for cones/barriers and plan for alternate routes. **Do not** try to move a cone or barrier and go through the construction area.

The contractor may also use the parking lot just south of the Chapel for material and equipment so this will affect parking in that area as well.

Ready for a Picnic?

Coming July 28th
Stay tuned for details!

We will start passing out tickets Tuesday, July 5th at 9:30am-4:00pm Building 501
The door facing FCT/D will be open.

Shout Outs!

Shoutout to **Shae** and **Cindy** from Community Relations! Very few know the amazing amount of work that goes on “behind the scenes”. They, along with the Abilene Volunteer Services Council, make many of our fun things possible!

Shout out and big thanks to the Habilitation Therapies (OT/PT) PNMP-C supervisor **Suzanne** and all her hard-working **PNMPCs** for helping out on the homes and helping arrange and complete transport of people to Audiology. They are exceptional at their rapport with individuals and always ready to lend a helping hand!

A Shout Out to the Hiring Specialists (JRCs) **Shelia**, **Jennifer** and **Cindy**. There is a lot that goes on to get someone in the door and started in our system – and amazingly enough, it’s not an easy process, especially with CAPPS! These ladies work with every department on campus and every applicant to ensure things are done in the correct way and in a timely manner. We sometimes forget how much “process” there is to make this happen, but it is appreciated!

Thank you to **everyone who serves on the Event Committee**, all who participated, visited, brought individuals, sweated to the oldies, decorated a booth/informative poster, dressed up, and didn’t laugh (or did) at those of us profusely sweating to the oldies! YOU are what makes these events SO much fun for the people we serve! We appreciate YOU! Y’all are totally awesome!

Shout Out!

Have you seen someone do the above & beyond or just want to recognize great work?
