How can I consent to receive my W-2 and 1095-C online?

Signing-up to receive your W-2 and 1095-C online can save you days of waiting for the mail to arrive. This allows you to get your forms faster – which means you can file your 2022 taxes faster! 😊

To receive your W-2 online, you may consent by:

- Logging in to [CAPPS Employee Self Service](#)
- Clicking on My Pay under Employee Self Service
- Clicking on W-2/W-2c Consent
- Checking the box that says, “Check here to indicate your consent to receive electronic W-2 and W-2c forms” and clicking Submit

To receive your 1095-C online, you may consent by:

- Logging in to [CAPPS Employee Self Service](#)
- Clicking on My 1095-C under Employee Self Service
- Clicking on 1095-C Consent
- Checking the box that says, “I consent to receive Form 1095-C electronically” and clicking Submit

If you have previously consented for this it should continue from year to year but it wouldn't hurt to log into the system to double-check!

Parking/Entry Stickers

The new process of using the Parking/Entry stickers has been going well – you should have received your sticker by now and placed it on your windshield – preferably right above your registration sticker.

Please remember you have to go through the gate area slow enough where they can see your sticker ... this is very important.

The Pay Card has returned!

Another option to receive your paycheck (other than Direct Deposit or a physical check) is the USBank Pay Card. This card works like a regular debit card and allows you to have your earnings deposited directly to it.

We **strongly** encourage not getting a physical check on payday. There have been numerous times these have been delayed ... this makes for a very unhappy day.

Shout Outs!

I wanted to give a big shout out to **Recreation, Vocational Services, and Activity Centers**. Each program area runs completely different and do different things to help the campus but they each provide so much for the campus. Each week there could be a Shout Out for one or all of the Program Areas. I want to say thank you to all of the them and let them know how blessed I am to be involved with them.

I would like to give a huge shout out to **Darlene Faries** for going above and beyond expectations to help out her 10-6 team. When staffing is so short it's nice to know you can count on your supervisor. Thanks Darlene you are appreciated!

Shout out to **Jessica DeLaCruz, LVN** for always being willing to train new nurses with a smile. Jessica takes her time and has patience when she is training them. I have heard nothing but great things from the nurses that Jessica has trained! Way to go!

Shout out to a Great Guy! **Thomas Flores** who works in Camera Monitors and Gate entry has always had the BEST attitude. Thomas has such a positive attitude no matter what time a day I see him or the condition of the weather. I love seeing great employees like Thomas every single day.

A Stryker Stretcher was purchased for AbSSLC by the **Volunteer Services Council**, which will be used to safely transport people, via stretcher. We appreciate these guys and ALL of the transportation crew for ALL they do, every day, to help people get to/from where they need to be anytime, anyplace, and any weather!

Thank you VSC!

I am pleased to announce that San Angelo SSLC has successfully exited section D of the settlement agreement, protection from harm. With this accomplishment, ALL 13 centers have now exited section D. This is the first section for all centers to successfully exit. This is truly a milestone.

This is AMAZING news that highlights our incredible SSLC team.

Together we truly do SHINE!
